

I am writing to let you know that I am concerned over the possibility of losing K-LOVE in my area. (Cincinnati, OH 104.3 FM)

K-LOVE serves as a great source of comfort and encouragement to me. I listen everyday at home and in my car. I feel that the community would be cheated if K-LOVE was taken away, because it is so hard to find radio stations that are family-friendly, in addition to being uplifting and encouraging. I believe that the service that K-LOVE provides is in the best interest of the public, because it promotes wholesome family values and has services for suicide prevention and prayer. It also plays wonderful music with a powerful message that people need to hear. Thanks for your time. Sincerely, Laura Oliverio
